CLOSING REMARKS AND QUESTIONS

They concluded their remarks by thanking the County for their financial support and looked forward to another successful year. Chair Lassiter asked if there were any questions or comments about their presentation. The following questions were asked:

- > Commissioner Hoffler: Mr. Hoffler asked about the status of the Riddick Charter School that was being built in Herford. Ms. Turner said that they did not get their approval. Mr. Hoffler mentioned that the building is still there but Dr. White said that the sign with their name on it has been removed.
- Chairman Nelson: Mr. Nelson asked Ms. Turner what kind of feedback she was receiving about the HB 219. Ms. Turner said that they are getting a lot of push for it. Recently, Perquimans County Board of Education adopted a Resolution opposing the bill and that many other school systems have also adopted the Resolution. Mr. Nelson asked if he could receive a copy of that Resolution so that the Board of Commissioners could possible adopt a similar one. Ms. Turner said that she would provide that copy to him. She cited examples of how the bill can negatively affect the school systems.
- > <u>Commissioner Corprew</u>: Mr. Corprew asked if it was just the public school systems that can get involved in this matter. Ms. Turner said that they are having a Legislative Day tomorrow where individuals can go to lobby against the bill.
- County Manager Heath: Mr. Heath stated that it would be better if they would give the Commissioners the option to designate the funds where it is needed more. Ms. Turner said that, when Mr. Heath said that he understood it to say may be able to decide on how to distribute the funds, she felt the need to reread the bill to see if she may have misunderstood what they allow the local counties do.
- Commissioner Corprew: Mr. Corprew asked about the auditorium. Should the study that is being prepared by a structural engineer deem the auditorium not structurally safe, what does the School Board plan to do with the building? Mr. Johnson said that they have a plan. Several members expressed their feelings about the auditorium. Chairman Nelson asked if they had discussions on the new proposed school and how they can build an auditorium with the new school. Ms. Turner said that they have talked about it but it would increase the cost significantly. Dr. White thanked Mr. Johnson for the mammoth job that he did in doing the renovations so that it will bring the buildings and facilities up to date. Mr. Johnson said that we should wait to make a decision about the auditorium until after we receive the structural engineer's report.

Mr. Lassiter asked if there were any more questions or discussions and thanked the Board of Commissioners for their continued support of the School System. Other members of the School Board thanked the Commissioners for their continued financial support. Commissioner Woodard thanked the School Board for all they do for the school system. Chairman Nelson said that it was great the other week when the County, Town of Hertford, and School System representatives pulled together to seek funding for Perquimans County projects. Dr. White wanted to thank Mr. Bunch and the entire staff for the grant funds that they have worked so hard to obtain for the School System. Ms. Turner introduced a new employee, Dr. Shawn Wilson, Chief Human Resources Director, replacing Ms. Maddox and has done a great job. There being no further questions or comments, Chair Lassiter adjourned the meeting at 6:45 p.m.

Multiple Flag Lot Review for Tax Parcel #5-0020-0034D, requested by Kelly Belangia and Pam Lilly: Ms. Repanshek stated that this parcel is located on Four Mile Desert Road. She further explained that these are two sisters that are proposing to divide family property between family members according to their mother's wishes. After giving the background information on this request, she notified the Board that the Planning Board found that the proposed flag lots to be consistent with subdivision requirement and unanimously recommended approval of the flag lot configuration as presented for Tax Parcel #5-0020-0034D, to include correcting the shared access agreement to read as 45 ft. wide wherever the draft says 50 ft. wide. RESCHEDULING JUNE COMMISSIONERS MEETING

County Manager Heath informed the Board that Chairman Nelson and Vice Chairman Woodard will be out of town on June 5, 2023 and will not be able to attend the Regular Commissioners Meeting. Therefore, we will need to move the meeting from Monday night to Tuesday night. NC General Statute No. 143-318(a) allows the Board to make the change as long as it is rescheduled at least seven calendar days before the day of the meeting being held. The County will need to make sure that notices are placed on county websites and social pages and posted on the meeting room door. On motion made by Joseph W. Hoffler, seconded by Timothy J. Corprew, the Board's June meeting will be held on Tuesday, June 6, 2023, instead of June 5, 2023 as it normally meets. Required notices will be posted tomorrow.

PUBLIC COMMENTS

The following public comment was made:

Marty & Sheryl Hurdle: Mr. & Mrs. Hurdle are owners of the Crawfish Shack. Mr. Hurdle explained that they have applied for a mixed beverage license. They already have beer & wine license. They were approved for everything but, on the next day after the approval, they changed their minds because they did not know that their business was not within the city limits of Hertford, NC. They were informed that they needed to have the Board of Commissioners to have that ruling changed. Ms. Hurdle stated that they had approvals from the Building Inspector, the Fire Marshal, the Sheriff, Zoning Official but one week after it was approved they called back and told them that they revoked it because it was outside the city limits. They were wondering how Albemarle Plantation has their permit but they could not get their permit approved. County Manager Heath said that Albemarle Plantation has a special permit because they have the golf course. They asked if there was anything that they can do to help get this permit approved. Commissioner Hoffler explained that, as Chairman of the ABC Board, the golf course allows Albemarle Plantation to serve mix drinks. The Town of Hertford is wet town but Perquimans County is a dry county. Because their facility is located within Perquimans County, they cannot approve their permit because the county is a dry county. We cannot relocate boundaries. Mr. Corprew stated that he had reached out to the Licensing Board and was told that the Board of Commissioners had to either do an exemption to the rule or do a referendum and have the residents of Perquimans County to vote on the County to become a wet county. He feels that if we do it on a case-by-case basis that the County would have a little bit more control over it. Commissioner Jones suggested that, since this was public comment section that the Board should discuss this at a Work Session. County Attorney High agreed and said that he would do further research on it and talk to the Licensing Board to see what we can do to help Mr. & Mrs. Hurdle. The Board agreed.
