Hurricane Season and COVID-19: How Families of Children and Youth with Special Health Care Needs Can Be Prepared

Hurricane season will be different this year as NC continues to take precautions to slow the spread of COVID-19. This webinar series will address the most pressing topics and questions related to how individual preparedness, hurricane response, and recovery will be different due to COVID-19. Family members, caregivers, disability organizations, and emergency preparedness professionals are encouraged to attend all three sessions to help understand how to meet the needs of children and youth with special health care needs and those with disabilities in the event of a hurricane.
