Age My Way: Federal and State Advocacy Updates

May is Older Americans Month and the 2022 theme is Age My Way. It is important that older adults and caregivers have access to services and supports that promote independence, preserve dignity, and improve quality of life. In honor of Older Americans Month, please join Bob Blancato, President of Matz Blancato and NANASP Executive Director, and Heather Burkhardt, Executive Director of the NC Coalition on Aging, as they share important information related to aging issues, the latest state and federal legislation affecting older adults and advocacy opportunities!
