

CALLING ALL **CONSTRUCTION** COMPANIES

Cheri Sheridan, aka Mrs. Claus Loves Dogs, had a wonderful idea for our next Dog Festival on April 6, 2024. Cheri asked her current construction contractor to save left over materials from her renovation and build a Dog House. Cheri will be donating the house to the Chamber to be auctioned off at our next Dog Festival.

Cheri and the Chamber would love to see all Construction Contractors build a dog house with materials that are left over from a job!

At the Festival we will have a contest, voted on by Cheri, her therapy dogs Patton and Bunsen, attendees and vendors for the favorite dog house. Each participating construction company will be announced live during the event by our DJ. The winning company of the contest will receive a certificate for one free lawn sign with your logo, to be placed at one annual Chamber event for free advertising.

Houses can be

Any Size 🐾🐾

Any Shape 🐾🐾

Any Style 🐾🐾

Fancy or Plain 🐾🐾
